Mobility™

Frontier V4 RWD
**ADVENTURE GAINED
NOTHING LOST**

POWER OPTIONS

Consider a seat lift to help you reach, transfer and face life head on, or power tilt for improved manoeuvring over obstacles.

TAKE CONTROL

A full range of advanced control systems and environmental controls are available. Easy to program and easy to use.

FULL LIGHTING PACKAGES

Been out having too much fun and it's getting late? Put your lights on.

UP CLOSE AND PERSONAL

Side transfers aren't the only reason you need to flip your armrest out of the way.

ATTENTION TO DETAIL

Working together, we can figure out how to make your wheelchair uniquely yours. We know that small touches make a big difference.

BUILT TO LAST

We never compromise on quality. Your powerchair is your mobility, therefore reliability is paramount.

ENGINEERED TO THE LAST BOLT

If we think we can make it better, we will. Our in-house engineering team is hands on, working side by side with customers and therapists. The entire Magic team works continuously to improve the entire experience, from choosing a Magic Mobility wheelchair to its performance in the places you want to go.

PROUDLY AUSTRALIAN DESIGNED AND ASSEMBLED IN THE USA

We love that our product is made in Australia. We love meeting our customers, hearing your ever changing needs and taking it back to the drawing board.
